

Social Work Contract

*As a BSW or MSW student at Texas State School of Social Work,
I agree to the following social work contract.*

I understand that this document must be signed and dated, and must be included in my student folder in order for me to progress as a student in Texas State School of Social Work.

1. I shall adhere to the social work code of ethics (as articulated by the National Association of Social Workers and as codified by the Texas State Board of Social Worker Examiners).
2. I shall adhere to the Honor Code of Texas State University-San Marcos.
3. I shall develop professionally through:
 - a. regularly and carefully assessing my own academic and professional aptitude and performance, and
 - b. carefully attending to faculty guidance about my academic and professional aptitude and performance.
5. I give my faculty advisor and instructors permission to discuss my progress in the School of Social Work with the BSW or MSW Director and the social work faculty.
6. I understand that, although I am admitted as a social work student, if my professional development is deemed unsatisfactory by the social work faculty, the School of Social Work has the right and responsibility to terminate my status as a social work student.
7. I understand that the social work faculty will provide instruction to help me achieve academic learning, and will offer advisement to help me develop as a professional.
